IT'S COMING HOME!

MESSAGE FROM THE HEAD

As we end the penultimate week of the academic year, the school has been full of laughter and excitement as our Y5 and Y6 pupils performed "Let The Games Begin." A play which encouraged us to put down our technology and go back to more traditional entertainments. This was very appropriate as the technology failed us during the first performance with a computer freezing and our stage lighting losing all of their programming! Happily, normal service was returned by the following day and the children did themselves - and the school - proud.

The reports went out on Wednesday and it was parents' evening last night. This was an opportunity to reflect upon the hard work of the last year and also to wander over to meet your child's next teacher. Thank you for all of the grateful comments that we received, it's reassuring to be told that we get most things right, most of the time! Mrs Mason, our next head teacher, spent time in school this afternoon and was able to join us in a Friday Praise Assembly. This has helped her to gain a little bit more understanding of how our school works and to begin to chip away at the task of learning a huge number of names.

SCHOOL RAILINGS

We would like to kindly ask that parents ensure their children are not climbing the blue railings/gates around the school playground, at the beginning and end of the school day.
