MESSAGE FROM THE HEAD

At this time of year, it seems that every week is a busy week and this one has been no exception! Our Y6 children have been over to church to explore the theme of "moving on" and identified what they are most looking forward to in the move to secondary school. They have also enjoyed their forest school day - something that they have been yearning for since they noticed the younger children spending time in our wooded area.

Rehearsals for sports day next week have been held and the house captains are in the process of trying to select their line ups for the Key Stage Two event next Thursday. Fingers crossed that the weather forecast is correct and we don't get the rain until the afternoon. Finally, we welcomed the parents of our Reception '24 intake to an information evening when they were able to receive 101 pieces of information and meet Mrs. Mason, our new head teacher from September.

Finally, thank you for all of the donations towards the H.S.A. Summer Fayre. If you haven't yet returned your raffle tickets, please try to do so early next week. We look forward to seeing you at the fayre on Saturday 29th June, 1-4pm.

MENU

Next week will be week 1 from the new menu.

COLLECTIVE WORSHIP

In our Collective Worship this week, we had a visit from the 'Open the Book' team. We explored the story of The Good Samaritan and reflected on who our neighbour is. We also thought about how we should treat others as we wish to be treated.

SCHOOL LUNCHESES

Can we remind parents that school lunches need to be booked at least 24 hours before they are required. Thank you for your co-operation.

MUSIC LESSONS WITH DUDLEY PERFORMING ARTS

We are working with Dudley Performing Arts (DPA) to provide music lessons in school and now is the time to start! The team at DPA have decades of experience and are the biggest provider of music education in our area. Students can start learning for as little as £8.50 a session and if you would like your child to start simply click on the link below to find out how it works. Learning a musical instrument is a great thing for young people to do. It can help in all sorts of ways and research suggests that it can help children develop academically and socially. Lessons take place in school making it easy to fit in around your busy family lives and we hope that you will take up this amazing offer.
