

Uniform Policy September 2024

“Learn with Love, Flourish in Faith”

Our School Vision

Do everything in love (1 Corinthians 16:14)

As an inclusive Christian school, Church of the Ascension C.E Primary School aims to create a loving, caring and respectful community, where individuals can flourish spiritually, socially and academically as children of God in a rich learning environment. Our vision is to inspire lifelong learning, whilst encouraging resilience, independence, aspiration and an appreciation of God’s wonderful world.

We believe the six key values which characterise our school are:

- Thankfulness
- Generosity
- Respect
- Forgiveness
- Honesty
- Perseverance

We believe that these core Christian values are fundamental in helping to develop our children into responsible citizens of the future and will allow them to achieve their God-given potential.

It is our school policy that all children wear school uniform when attending school, or when participating in a school-organised event outside normal school hours including inter schools sporting activities. Parental cooperation and support with uniform expectations, is very much appreciated. School uniform is part of the school ethos and in choosing to send their child to our school the expectation is that parents will agree to support our policy.

We believe that a school uniform:

- is important in building the children’s sense of identity and belonging to the community of the school
- instils a sense of pride in our school
- supports positive behaviour
- supports high standards and expectations in all areas of school life
- is one of the symbols of the ethos of the school
- protects children from social pressures whatever their race, religion, gender or background
- supports effective teaching and learning
