

History at Church of the Ascension Primary School

What does History look like at Church of the Ascension?

The children at Church of Ascension study a range of significant people, periods and events that occurred in British and international history. These include: the Great Fire of London, World War I and II, Ancient Egypt, Ancient Greeks, the Romans, the Stone Age and the Iron Age.

Our history curriculum is organised so that the children begin each school year by learning about local history because this context is familiar to them.

“We are not makers of history. We are made by history.”

- Martin Luther King Jr.

Examples of Learning

At Church of the Ascension, our high-quality teaching of history will inspire pupils' curiosity to know more about the past. Our units of enquiry will be enhanced and enriched by 'engagement tasks' to enthuse and engage our learners. This creative and exciting approach will help the children to develop a love of learning about history. There will be many oppor-
